especially if they have clients coming to see them.

As the garage has been used for this studio, there is no lockable car accommodation or access to the studio from the house. There is a sail which is in the process of being replaced for shade, and room for 2-3 cars off the street so don't worry, you can still get your groceries and kids in with ease :-). There is a good sized walk-in garden shed, plus an enormous covered patio area with plenty of room for kids and pets. This area is a huge highlight for this lovely home.

As you know, the Sippy Downs area is home to the University of the Sunshine Coast, Youi, Woolworths, Coles, Subway, McDonalds and a few of the Coast's most prized schools. Siena Catholic College, Matthew Flinders Anglican College and the Chancellor Park State Schools are all nearby, plus Sunshine Coast Grammar just a short drive along the Tanawha Tourist Drive. Public Transport and walking/riding tracks are all close and the owners would love a long-term tenancy, pets will be considered upon application.

NB: The owner would consider leaving some or all of the furniture in the photos at the property, but it can of course also be provided completely empty. Water consumption will be the tenants responsibility.
