fantastic views. A separate area with a large lounge and dining room complete the picture.

At one end of the house, an attached 2 car garage makes it easy to enter one of the two bedrooms, where there is a separate bathroom and toilet. There is also a large linen press. The other end of the house has another two bedrooms, the main with en-suite and a separate toilet.

This is a very comfortable large well laid out residence with quality fittings, ceiling fans, screened opening doors and windows. Air conditioning is rarely needed as there is plenty of cross ventilation. A solar hot water system ensures unlimited hot water all year round. There is another area under the deck which can be used for garaging a car, jet ski, motor bikes, small boat and /or gardening equipment.

This property ticks all the boxes and more and definitely will not last long.
